E. H. Fisher & Son

To the Honorable the Judges of the Court of Quarter Sessions
of the Peace of York County, Penna.

The petition of John Einsig, Jr., respectfully represents:

That he was defendant before your Honorable Court on a charge of maintenance. That the case against your petitioner was heard on the 17th of February, 1899. That after hearing your Honorable Court directed your petitioner to enter into a recognizance in the sum of three hundred dollars conditioned to pay the Clerk of the Courts two dollars and a half per week for the support of his children, and further directed your petitioner as defendant, to pay the costs of the proceeding.

That your petitioner has been confined in the County jail for a period of more than three months, and is still confined in the county jail. That during said time he has made effort to secure bail for the purpose of entering the recognizance directed by the Court and that he has been unable to secure any one as his bail, and that he is unable to comply with the decree of the Court by giving recognizance nor can he pay \$2.50 per week for the support of his children by reason of his confinement.

He therefore prays the Court to discharge him from prison upon his own recognizance, so that he may make every reasonable effort to support his children and comply with the order of Court.
